and also sanctioning a grant-in-aid of Rs 5000/- for the same Rs 3000 from the funds of the Sri Kalasaswaraswamy temple at Kalasa and Rs 2000/- from those of the Sri Bhamarajeswaraswamy temple at Bhamarajnagar, The Inspr Sr. was directed to place himself in communication with the gentlemen deputed by the Swamigalu for the preparation of the detailed scheme and submit for orders further particulars regarding the site selected for the location of the institution, the plan and estimate of the building and rules for the conduct of the home and utilization of its funds.

Paper under reference

2 It is with reference to the above order that the Inspr Sr. has subd the estimate and plan in question.

A.

3. First, as regards the site, Govt ~~have~~ in their order no. 89 16-22/Rel 256-14 & 13th May 15 sanctd the free grant of 3 Cottage sites, measuring in all 35 guntas and 4 sq. yds, opposite the Sri Rameswara Temple, Bhamarajpet, Bangalore.

In para 2 of the above order, the site has been directed to be made over after the plan and estimate are approved by Govt and the President has been requested

to fix a period, in consultation with the Ellayrai Sreprdr., within which the building should be constructed, failing which the site should be resumed.

5. After approval of the plan & estimate now sent, the site will have to be made over and the period within which the building should be constructed fixed.

6. The amount of the estimate is — Rs 13,500 and to meet it a sum of Rs 10,285- is reported to be readily available as noted below:-

	Rs
1. Amount presented by the Swamigals	5000.
2. Grant-in-aid sanctd by Govt.	5000
3. Interest on the 1st amount deposited in the Savings Bank.	285-
	10,285-
Savings from the Patasala	1,815
	12,100

7 In addition to the above amount a sum of Rs 1,815 is reported to be available from the savings of the Sanskrit Patasala at Sivaganga, which has been closed and the amount ~~so~~ thus saved made available for the feeding of the students in the Home.

8. Thus, the balance still left is Rs 1400 and it is proposed to meet the same from a fresh grant-in-aid from the temples from the funds of which Rs 5000/- was sanctd

or from the State Funds.

9. As the grant-in-aid of Rs 5000/- was not sanctioned from State Funds, it is a point for orders as to whether the additional sum of Rs 1400 now required has to be sanctioned from the funds of the temples referred to in the same proportion viz $\frac{3}{5}$ & $\frac{2}{5}$.

10. as regards the rules for the conduct of the home and utilization of its funds, no proposals have been sent up by the Nungai Supdt now and perhaps he will do so after the home is built.

11. In the last para of the Nungai Supdt's letter it is proposed that the work may be entrusted to the P. W. D for execution, the charges for supervision being waived as a special case, as the Home is subsidiary to a Govt educational institution.

12 The estimated cost of the building is Rs 13500 and the supervision charges at 10½% will be Rs 1417-8-0.

13 In the matter of waiving the supervision charges, the P. W. D have more than once expressed their unwillingness to do so on principle, as may be seen from the notes in Nung 254-10 and page 9 of the notes in Nung 190-12-(5-12).

NOTE—Contn. sheet.

GPB—20,000—30 6 15

14. There have been one or two instances in which the charges have been waived, such as the improvement works to the Ghati Subramanyaswami Temple, Dodballapur Taluk (vide G. O. no. 17*56-60/10544-8 & 13-1213) and construction of out-houses to the Nanjaraj Bahadur Chattram (vide G. O. no. 1164-7/Inn 171-15-2 & 15-11-15).

15. So, the points for orders in the case are:-

1). Approval of the plan & estimate.

2) Making over the site after the plan and estimate are approved.

3) Fixing a period within which the building should be completed.

4). Source from which the deficient amount of Rs 1400 to make up the estimated amount, should be met

5) Waiving of the supervision charges by the P. W. D.

SD
23/11/16. If approved the Plan & Estimate may be sanctioned. As a sum of Rs 12100 is readily available, and the work can be commenced at once; and by the time the building nears completion it will be some months, and the balance of Rs 1400

required for the work will accumulate, and can be utilised also for the purpose, any small amt. that may ~~[illegible]~~ fall short being leak from one or both of the temples referred to above.

17. The Mussalmi might recommend that the work may be entrusted to the D.P.W. But the Trustee Mr. H. Remaidja does not say anything about this. May not the trustee be asked ~~[illegible]~~ abt this?

18. Since submitting my recommendation I saw Mr. Ramiah He desires that the supervision may be entrusted to him, and that measurements of work executed may be checked by a P.W. office before making payments, in the same way as in the case of Sonivin Mandir and orphanage. His main object in preparing the report is to keep the profits for the benefit-
